Official Newsletter and Tournament Schedule of Unit 194 and Unit 230 of the American Contract Bridge League

Volume 47 Number 3

October 2018

## Ownership Change

According to my sources; Maritime Cards & Games – The Bridge Studio, owned and operated by the hard-working Kathie Macnab, has changed ownership.

The new bridge club will be at the same location under the name **The Bridge Studio**.

Mrs. Kathie Macnab has sold her successful club to a consortium of fifteen bridge players. The consortium consists of a number of influential local bridge players and strong supporters of the game.

My source was quite enthusiastic about the acquisition and said that besides the new management that the club will be a full-time Bridge Club with games six days a week. It will have a new look and provide a comfortable environment for all local players. A new Web-site will be up and running in about three weeks.

A gala opening is being planned for Friday, October 5. It features a two-session Swiss team game and festivities will include wine and goodies for participants.

For Kathie, one of our top Bridge players, and a personal friend, I feel obligated to make a few observations based on my own retirement.

I retired from teaching some twenty-three years ago to a tremendous show of appreciation from my community and co-workers. It was the agony and the ecstasy.

There was the immediate relief of not having to go to work but something was bothering me and I could not figure out what it was. Two weeks later, I dropped in to visit the school (under new management) and was certainly welcome but everyone was busy working at their jobs. There had been a few changes, not all that I agreed with, but it finally dawned on me what the agony was. I realized that I was OUT.

The hardest part of retirement for me was realizing that I was no longer the boss. I informed the Presidents of both units 194 and 230 after the May issue that this issue of The Maritime Bridge Line will be my last. Twenty-eight years has been fun but lots of work.

Retiring from directing Tournaments is imminent. Forty-eight years has been fun. But as soon as fun becomes work, it is time to be out.

Best wishes on our retirements and I hope we both have the grace to allow our successors to make their contribution even if we are not always in agreement.

# WADE SHORT NEW CBF ZONE 1 REP

Wade Short, Pointe Du Chene, NB, has agreed to replace Kathie Macnab as our representative on the Canadian Bridge Federation,

The Canadian Bridge Federation – Charity Foundation (CBF-CF) is looking for charities in your area to support, These charities should have a connection with seniors and an ability to show that support from the Foundation.

## NOTICE TO READERS

After the last issue of the Bridge Line I informed the Presidents of both Unit 194 and 230 that this would be my last issue.

This issue completes my 28th year as editor and I have enjoyed preparing it for you. It started off being printed off on my school printer and mailed to individual members. Then it was sent in bundles to clubs for distribution and just a few years ago, thanks to Unit websites, it has been posted on the internet three times a year.

I have always enjoyed doing it but it has always been a lot of work as all results are typed in by myself including the Master Point race updates.

There has always been a dearth of submissions from our members and anything submitted in writing had to be rewritten and any files not in word were unreadable by my limited and outdated technology and had to be typed into my computer.

In recent years it's become made more frustrating as some items such as schedules have not been submitted in a timely manner. Add to this my deteriorating eyesight, one-finger typing and hours at the compute typing each issue, I find that I cannot continue.

I would like to sincerely thank those of you have assisted me along the way by submitting hands and articles. I have to single out several people thanks and appreciation.

First, Mr Bill Halliday, whose expertise and infinite patience has bailed me out of many crisis situations.

Second, Mr Leo Weniger, ACBL Board Member who has always submitted his reports to me in a timely manner and in Word format so I could enter it directly into my computer.

And finally, my beautiful, patient, wife, Kerry, who reads through every issue and circles the countless errors and typos on the pages of names, places and articles that I have typed.

I will never be able to thank all who have helped me or to describe the work and effort involved in producing an issue. ☺☺☺☺☺☺☺

# LEO WENIGER RETAINS DISTRICT 1

Leo Weniger, of Halifax, has been elected for a second three year term as Director of ACBL District 1 by acclamation.

Mr Weniger, a Diamond Life Master, has represented us well for the past three years and has faithfully kept us up to date on the decisions of the Board of Directors and the state of the ACBL with his regular reports in the Maritime Bridge Line. Unfortunately, he was unable to attend the Summer National meetings in Atlanta this summer due to illness and was replaced by First Alternate Director, Jean Latraverse, of Montreal.

Leo has recovered from his illness and ready for his next term. I must point out that Mr Weniger has been very diligent in representing us at the National level and has spent countless hours on our behalf.

Congratulations, Leo, we appreciate your continuing efforts.😊😊😊😊😊
