An anonymous, but frequent visitor to the Can-At stopped by with the following tale.

In a head-to-head KO match, the auction proceeded:

- 3♦ - P - P - X
- P - 4♠ - P - 4NT
- P - 5♦ - P - 5♥
- P - P - ?

At this point, the visitor turned to LHO and asked "That asked for the trump Queen?" The answer, of course, was affirmative.

After consulting the bridge gods, his sense of fair play and assorted other oracles, the visitor announced: "OK! Redoubling isn't sporting" and put the red card on the table.

LHO, an unnamed local player who should really know better, now went into the tank and finally bid 7♠!! The visitor didn't bother with another red card, but just tabled the ♣A as the opening lead.

HANGING OUT WITH THE I/N CROWD . . .
